Rotary's Big Event Is Saturday

Bar-B-Q, Dance & Auction

One of those events that Antioch is becoming famous for will be held Saturday night at St. Peter's Social Center.

It's the Antioch Rotary Club's Country Bar-B-Que and Dance, including an intriguing Flea Market Auction.

First of all the food:

From 6 to 9 p.m. they will be serving pork chops, apple sauce, potatoes and dessert. Fay Wilder from Danville, Ill., famous for his barbecued pork, is coming here especially for this occasion and is in charge of the delicious food.

THE FLEA MARKET Auction is scheduled from 7 to 9 p.m. Herman Behm, professional auctioneer and one of the best in the business, will be handling that event. The Rotarians have been going all-out to obtain fascinating items. Such as:

A carved occasional side chair with a tapestry seat; a 5-drawer oak dresser with keyholes; a small, carved side table with removable glass tray; a ladies sewing rocker with spindle back; a signed Roseville green vase; stone-war jugs, an old wood pharmacist

ANTIQUE ENTHUSIASTS will be coming out Saturday to the Antioch Rotary Club's Country Bar-B-Q and Dance at St. Peter's Social Center. A Flea Market Auction will be held from 7 to 9 p.m. and Je-Lynn Antiques is cooperating with the Rotary Club to make it a good one. Displaying some of the items are (from left) Phil Adesko of the Rotary Club, Evelyn LaFata and Jeanne Kmecik of Je-Lynn Antiques and Bill Brook, president of Rotary.

Clean-Up Week Set

Antioch's annual "Fall Clean-Up Week" has been scheduled Monday, Oct. 7, through Saturday, Oct. 12.

The village board heard Monday night that village crews will try to cover the entire town every day, depending on the amount of debris residents leave on the curbs.

Debris must be at curbside by 7 a.m. each morning in order to be picked up.

The village board hired Clem Haley as a full-time employee in the public works department for six months. It also authorized Clerk Marilyn Sterbenz to advertise for two temporary employees for the public works department - hopefully with sewer maintenance and back-hoe experience.

The men would work on maintenance of the sanitary sewers in Oakwood Knolls subdivision.

The board also authorized the advertising of bids for a 1974 squad car.

Sequoit Gridders Need a Win

Saturday's Opponent Is Warren

After two weeks of bashing helmets in the Northwest Suburban Conference, only two teams have escaped defeat. Warren and Grant.

Warren's Blue Devils come here Saturday to play Antioch's Sequoits at 2 p.m.

It should be quite a game. Conference coaches picked Warren to win the championship. So far the Blue Devils haven't let them down. In their opener they stomped on Lake

Zurich 24-8, then last week they got past Wauconda 12-6.

Antioch looked super in its opener, whipping Round Lake 35-6. Then the Sequoits went flat last week at Woodstock and were trimmed 22-6.

ANTIOCH'S COACH, Roy Nelson, naturally is trying to get his troops up for this one.

"We've always been good against Warren," he said. "Last year they were a contender but we gave them a close game before losing 7-6."

"They have a good ball club but they can be beat," Nelson added.

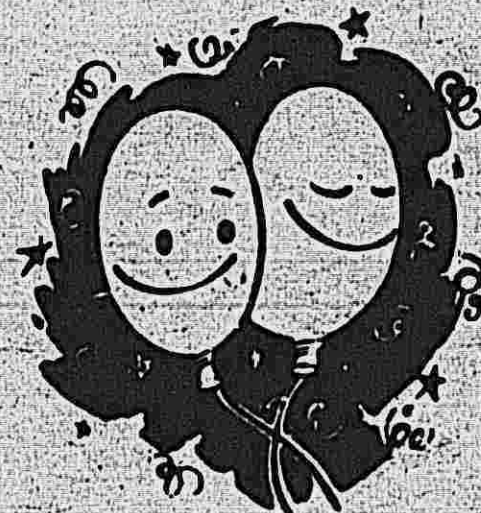

Antioch ran into a couple of problems at Woodstock last Friday night. One of them was a Woodstock sophomore fullback named Ron Genot. He's 6-3 and 200 pounds and he scored all of his team's points.

Also, Woodstock pulled some defensive stunts that confused the Antioch offense. By halftime the Sequoits were down 14-0. They got straightened out during the intermission, and in the second half they were outscored by only 8-6. But it was too late - the game was lost.

THERE WERE bright spots

in the Antioch defeat. Dave Moore broke away on another

Amtrak will once again have their special ski packages with their own tour basing fare which will be the lowest available. It is not too early now to make your arrangements for the holidays.

For those of you who have not been on the United States train system of late, the old coach cars are being replaced by new Turboliners which are a great improvement.

COMMENTS...

No Way

Over a generation ago, freedom from want was incorporated in the charter of the American welfare state. The federal government assumed obligations to its citizens that could only be maintained through endless government deficit financing and inflation. Now, freedom from want threatens to become a cruel hoax unless inflation can be controlled.

A plain-speaking editorial in a McGraw-Hill publication asserts, "There is no easy path that will take us where we want to go. The easy paths lead backward or nowhere. There is no way to produce less and have more. No way to sit on our aspirations and expect things to take care of themselves... There is only a productive or a nonproductive way. The productive way calls for all of us to join together. Not in perfect harmony, not in ultimate brotherhood or in some high-flown crusade. But in the simple recognition that we all -- business, labor, government and private citizens have a job to do."

There can be no guarantee of security for individuals or for nations. Security hinges on character and hard work--productivity. "There is no way to produce less and have more."

From Our Readers

The Antioch News:

I just thought I would drop you a quick note of thanks for running that article in your "Comments" section in the last edition of your paper.

It mentioned many things which school administrators forget to remind parents of and I'm sure parents appreciated those reminders.

Also, I'd like to thank you for your excellent coverage of our school's activities and for your help in promoting Teen Canteen.

It is worthy of note that a chicken named Henrietta will represent the Antioch Rotary Club in one of the really big events -- the annual Winneconne, Wis., Chicken Flying Contest.

Bud Holtz entered Henrietta and she will be flying, or fluttering, tomorrow against a field of champion chickens.

They put each fowl on a 10-foot platform and then prod it into flight. The chicken that flies the farthest, of course, is the winner, and goes on to the national championships.

Any chicken that refuses to leave the platform, incidentally, wins the title of "Chicken Chicken."

If Henrietta does well in

Winneconne, she will be a guest of honor Saturday night at the Rotary's Country Bar-B-Q and Dance at St. Peter's Social Center.

AMONG THE MANY attractive gift items on display at The Slice of Life are some wall plaques with messages that

deserve repeating:

"It's hard to get rich in a small town -- everybody's watching."

"The opinions expressed by the husband in this house are not necessarily those of the Management."

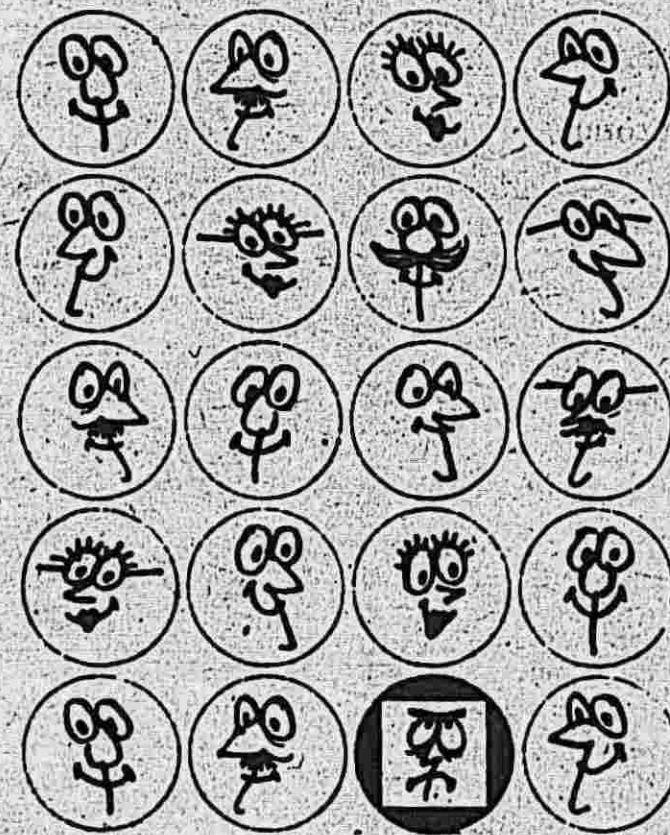

"Learn from the mistakes of others -- you can't live long enough to make them all yourself."

And:

"Real friends are those who, when you've made a fool of yourself, don't feel that you've done a permanent job."

I hope everyone has seen the new park in town. Sure is a lovely place to walk through on the way to Main Street or to just sit and relax when your feet begin to hurt from shopping all day.

Those firemen are really something. Even called up Scotty Lowe and had him shorten his trip to pitch in their game against the managers and coaches of the Little League. It was quite a game — "new papa" Ron Horton ran past second base and then got caught as he tried in vain to get back. The managers thought they had a fireman on their side, when their pitcher gave up three home runs, one right after the

other. Bernie Gutowski really wasn't sure what side he should be on, however he did a super job coaching the managers because they won with a score of 12-8. Thanks loads to Dennis Volling and Jack Christensen who were the umpires for the game.

Ev and Elaine Oftedahl are just back from a business trip and little side trip to visit daughter Laura in Riviera Beach, Florida where she has her own program on FM station WGMW.

Hope Glenda and Pete Tomaschik have found their way through all the boxes and finally feel settled in their new home. Best wishes.

Tom Haley, Jr. stopped in today and tells us that on Thurs., Sept. 19, St. Peter's School will have been open for 25 years.

Congrats to Herb and Georgia Ellis who celebrated their 25th wedding anniversary with a trip

to Hawaii. They tell us it's really a fun place to go.

Alice Palaske celebrated her birthday last Sunday evening with a party for some of her friends and relatives. Also celebrating last Sunday was Helen DeVries who celebrated at a dinner with her daughters Margaret and Christine and their families, as well as those at home.

Nice to see Lila Olson feeling better. A special get well wish to Joyce Woods who is recovering from surgery.

Hearty congrats to Debra and Tom Sansone who became the parents of a baby girl, Wendy

Jean, born on Sept. 3.

Nancy and Chuck Balmes of Oakwood Knolls became the parents of a baby girl also on Sept. 13. Krystal Rae was born at Victory Memorial Hospital and is the second child for the couple. She has a sister Holly who is 2. Congrats you two.

Boy is it nice to drive down Poplar Street now that it is paved. Sure am glad that strike was finally over.

Be sure to circle your calendars for this Saturday night. The Rotary Bar-B-Que and Auction promises to be a fun evening.

Remember too, little leaguers your awards night will be Sept.

Does your child know God?

Growing up is easier when a child can turn confidently to God. When he knows that God loves him and is always present to help him.

PM&L Dons Greasepaint Again

PM&L's Season XIV will open with "The Roar of the Greasepaint - The Smell of the Crowd," which is now in rehearsal.

The scheduled play dates are Friday and Saturday evenings, Oct. 12, 18, 19, 25 and 26. Curtain time for all performances, at the PM&L Theater, 877 Main St., is 8:30 p.m.

"The Roar of the Greasepaint," a musical production written by Leslie Bricusse and Anthony Newly, is a fitting vehicle for the reopening of the newly remodeled theater, which now boasts, among other things, a new curtain acquired through summer fund-raising activities.

Essentially, the play deals with the "Game of Life," whose players are the "haves" and the "have-nots," and has been characterized as "a sort of Laurel and Hardy set to music."

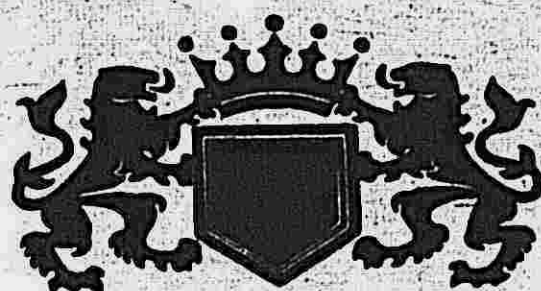

Its songs include a number of memorable Broadway tunes including "Who Can I Turn To?," "My Way," "The Beautiful Land," and "A Wonderful Day Like Today." The original Broadway production starred one of its co-authors, Anthony Newly, also well-known for his performance in "Stop the World - I Want to Get Off."

Your Police and the Community

By SUE SEDIVEC
Community Relations Officer

"Pedestrians always have the right of way." Sound familiar?

Who are our pedestrians? Well, we all are; young, old, middle-age, male and female. And there are special places for us pedestrians to walk — CROSSWALKS.

Now, we all realize that there are these white crosswalks located throughout our village. These are to be used by pedestrians and to be respected by licensed drivers. They were not painted on the street for decoration.

Unfortunately, pedestrians do not use the crosswalks and our drivers don't EVEN know that they exist; let alone stop for the pedestrian in the crosswalk.

Now, we all realize that we

are all at fault. We pedestrians "jaywalk" and play Russian Roulette with traffic, and car drivers ignore the crosswalk or are not aware of the state law requiring them to stop for someone in the crosswalk.

Of course, the seriousness of the matter will not be realized until someone is badly injured or killed. Then there will be lawsuits and a lot of aggravation.

And, especially, extra precaution should be taken at our school crossings — Drivers should automatically slowdown and be aware of the speed limit change.

So — you've been told. Now, you can't say that you didn't know! If you do not abide by the law — you will pay — a lot more than you think.

long touchdown run and finished the game with 88 yards in 11 carries. The junior halfback is a real find. He gives Antioch a threat every time.

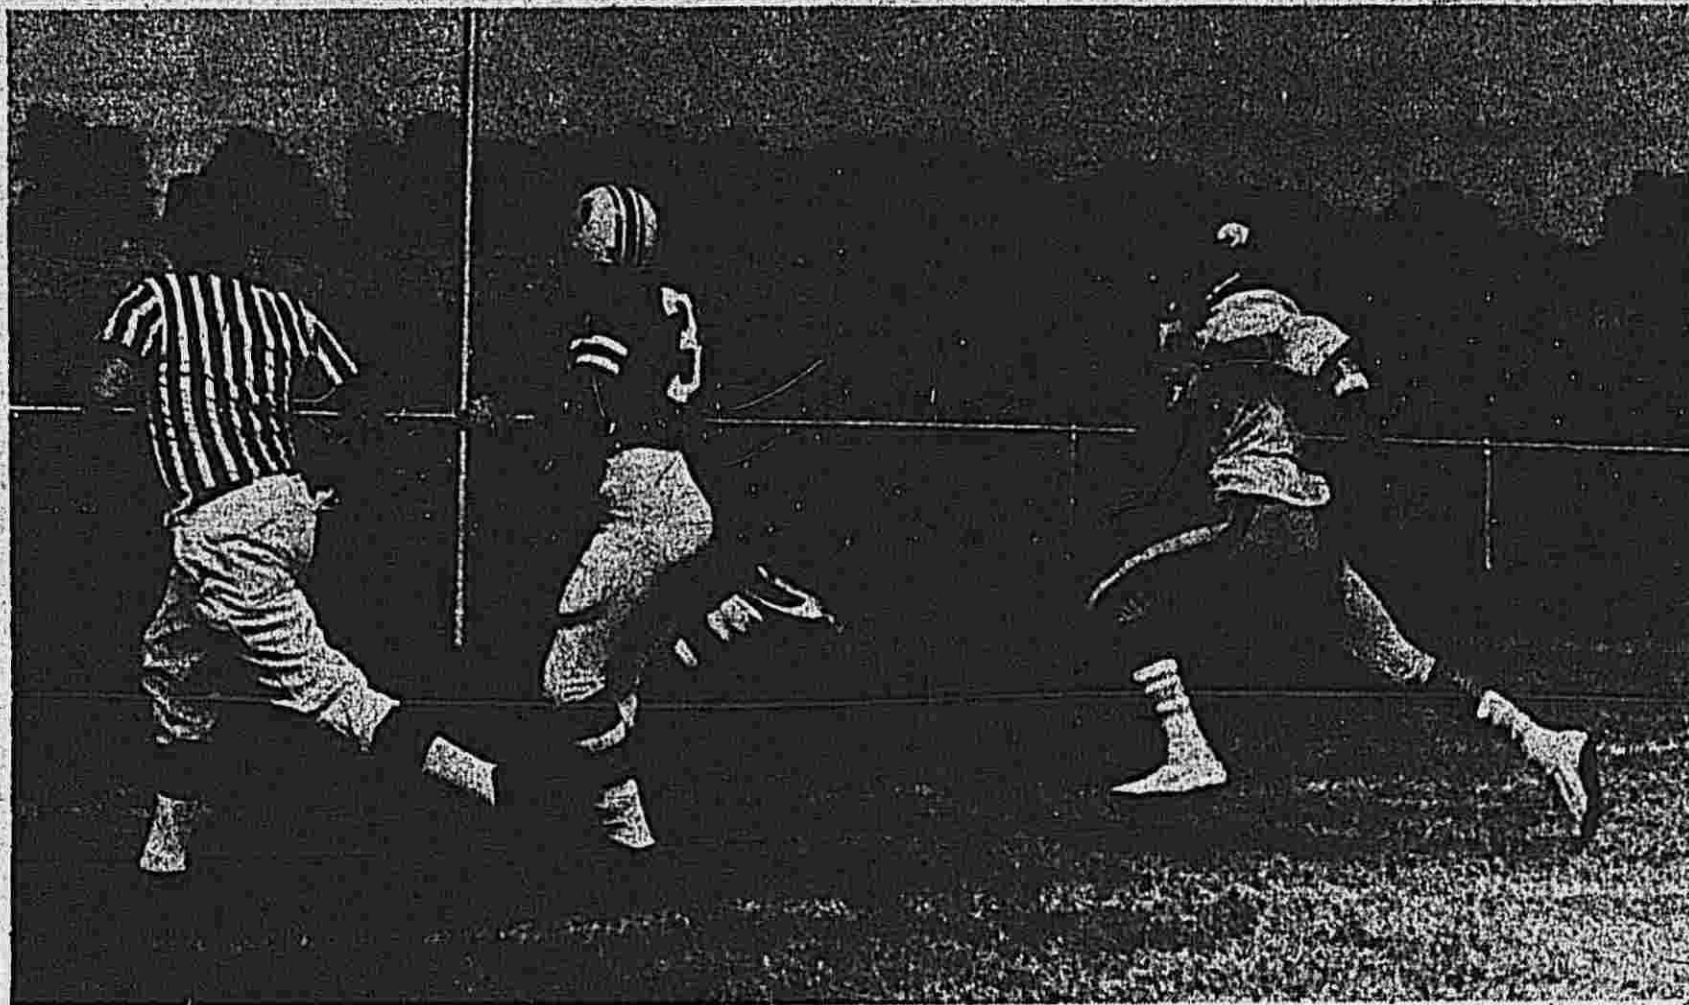

"If he gets a block here and there, he's gone," said Nelson.

The coach also praised the hard running of fullback Tim Shepperd and the defensive play of Dennis Varney, Greg Kennedy, Dave Kisner and Dave Boegarts.

"But we just couldn't stop that big guy, Genot," he said.

Woodstock had lost its opener to Wauconda, but the Blue Streaks' coach said his team played "300 percent better" against Antioch.

It was a tough one to lose, but the Sequoits can atone for everything Saturday ... just by knocking off Warren.

ANTIOCH'S FOOTBALL TEAM IS EXPLOSIVE! ... Junior halfback Dave Moore (dark jersey) has given the Sequoits a breakaway threat. He escaped for touchdown runs of 32 and 53 yards in the opener against Round Lake and then made a spectacular 70-yard run from scrimmage against Woodstock last Friday.

Sophs Lose A Tough One

Antioch's sophs lost a heartbreaking 20-13 game to the Woodstock underclassmen last Friday.

The Sequoits held a 13-0 lead at halftime and appeared in control of the game. Antioch scored twice in the first half, both the result of pass interceptions by Conrad Knutson.

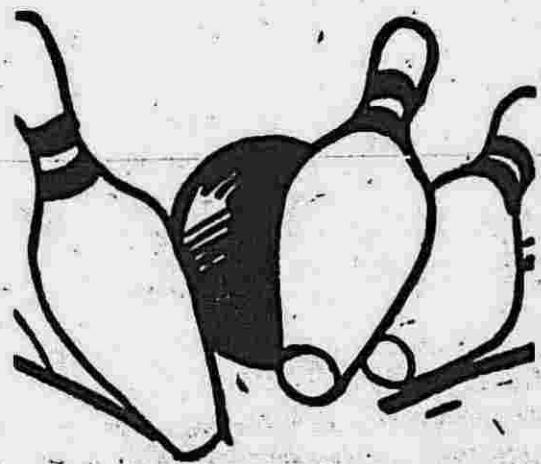

The first interception gave the offense the ball on the Blue Streaks' 14 yard line. Several plays later, Todd Teneck's one yard plunge gave Antioch a 6-0 lead.

Knutson's second interception went 42 yards for a score. Jim Peterson's conversion was good and the score stood at 13-0.

Woodstock was totally helpless in the first half, completing no passes and not making a first down.

The second half saw Woodstock making only two first downs and completing five passes. The unfortunate part for the Sequoits was that three of the five passes went for touchdowns of 25, 32 and 98 yards. Actually, Antioch intercepted more passes than Woodstock completed.

Saturday, a tough Warren team comes to Antioch and the sophs will have to stop stopping themselves with offensive penalties and shore up their pass defense.

Freshmen Lose 14-0, Journey to Gurnee

Antioch's frosh football team dropped its home opener last Friday, 14-0 to Woodstock's Blue Streaks. The loss gave the Sequoit freshman a 1-1 record.

The game was a defensive battle all the way with neither team able to generate much offense. Woodstock scored on two defensive breaks, an intercepted pass and a fumble recovery.

The biggest offensive threat from Antioch was fullback Tom Huebner who gained 46 yards in 12 carries. Tom also led the defense with help from Chris Ano and Jim Dituro. Keith Radke helped the home cause with his third pass interception of the young season. Brian Andrews and Mark Berthold recovered fumbles for Antioch.

The young Sequoits have another tough game this week as they journey to Gurnee Friday to play Warren.

The Blue Devils currently lead the frosh standings.

The "B" team also will play Warren. Woodstock spoiled the "B" team's opening game last week by taking a 12-6 decision.

In medieval Europe, people thought that the Devil combed a goat's beard every day.

Medieval healers claimed that gold fused under certain astrological signs could cure appendicitis.

Paul Pape Wins Football Contest

As of this week, 14-year-old Paul Pape of 1010 Laursen Court is Antioch's best football forecaster.

He won The Antioch News contest last weekend, and he had finished second the previous week.

Paul is a defensive tackle on Antioch High's freshman team.

Last week the object of the contest was to pick the score of the Antioch-Woodstock game. This is such a faithful town that everyone of the contest entrants picked Antioch to win.

Woodstock upset the Sequoias 22-6. Paul came closest to the outcome by picking Antioch to win by only four points, 13-9. First prize in the contest was \$15.

THE PREVIOUS WEEK, Paul picked Antioch to beat Round Lake 21-7. The final score was 35-6 and Paul's second prize was a \$10 gift certificate at Bernie's Delicatessen & Beer Depot. So, in two weeks, he has won \$25 worth of prizes.

THERE WAS a tie for second place in the contest. Joy Gossman and Jim Harvey both picked Antioch to beat Woodstock 14-7. But Joy came closer

PAUL PAPE

in the tie-breaker, the Bears and Lions game, so she won second prize - a \$10 gift certificate at Walsh's All Seasons. Jim will receive third prize - a \$5 gift certificate at BJ's Fashions for Men or BJ's Closet.

Be sure and enter this week's contest, which appears elsewhere in today's Antioch News. First prize once again is \$15. Second prize will be a \$10 gift certificate at Gibbs and Jenssen's "Carousel" and third prize is a \$5 gift certificate at Stanley's Men's Fashions.

'Biggest Weekend' At Wilmot Track

This weekend will mark the end of the 1974 season at Kenosha County Speedway in Wilmot.

The Interstate Racing Association is billing it as "the biggest weekend of racing" with super modified and sportsman competition on Saturday night and midget auto racing on Sunday afternoon.

Also planned Saturday night is a demolition derby with \$100 to the winner. In addition, there will be powder puff races in both modified and sportsman classes.

Time trials start at 6:30 p.m. From 5:45 to 6:25, kids 12 and under will be allowed to ride

around the track in their favorite race car.

After the program, fans are invited to the track for camera-time and autographs. Sky diving demonstrations are planned, too.

Sunday afternoon's finale will mark the first appearance of the United Auto Racing Association's midget cars. Champion Tom Steiner of Orland Park will be there, along with Bob Wallden of Zion and other top midget drivers.

Ron Marish of Milwaukee won the 1974 championship at the Wilmot track last week, copping the 25-lap feature event for super modified cars.

WHEN THE MIDGET AUTOS vie at Kenosha County Speedway in Wilmot Sunday, Tom Steiner of Orland Park, Ill. will be one of the drivers to watch. Steiner has become one of the most respected names in midget auto racing, capturing feature races and trophy dashes through the state. Time trials start at 1 p.m. Sunday, racing at 2.

Trap Shoot Shapes Up As Fantastic Event

By HARRY STERN

Sunday's Antioch Lions Club "Lion Safari" trap shoot is all set, and awaiting an invasion by meat-hungry shotgunners intent on winning a supply of edibles.

There are rumbles from various quarters, suggesting that some groups are planning to waylay the safari and make off with all the prizes.

For example, there is talk that John Teresi is making an armored car out of a big limousine, not unlike the Trojan Horse of old, and will rush in on the scene, grab off all the prizes, and head for the hills before anyone knows what happened.

WHEN BILL Brook, leader of the Deer Lake Poachers was apprised of the plot, he was completely unruffled. "We have no fear," he said, "because we have innocence and right on our side." We will rush in, capture the varlets, and liberate the prizes.

Charlie Haling and his Grass Lake Mud Hens cracked nary a smile when told of all this. "We'll just lay back in the bulrushes and dry gulch 'em," he said. "That'll learn 'em to

Sunday, Sept. 22, is the date of the Lion Safari at the NICC trap range, 3 miles west of Antioch on Rt. 173, starting at 9 a.m. Hot food and drinks all day long.

get smart with us crack blunderbussers."

Even Charlie Gillett and his Hunt Club Road band of champ claybusters have been making veiled threats about all that good meat and how they will latch on to the lion's share (no pun intended).

WHEN HOT-GUN Harry Stern was told of all the plots afoot, he shrugged his shoulders in frustration. "What chance does a red-blooded, All-American boy have against these insurmountable odds?" he asked. "They've got me outnumbered and surrounded. I think I'll hide in the weeds until all this blows over."

At any rate, Dave Bushing said there will be more than enough prizes for everyone. Dave is Bill Brook's first assistant in charge of getting things done.

SOME OF THE "HOTTEST GUNS" in the Antioch area will be firing away Sunday in the Lions Club "Safari" trap shoot at the Conservation Club range. Getting in some practice were (from left) Harold Durr, Bill Brook, Betty Vandenberg, Dick Vandenberg and Jim Carlson.

IF ALL ELSE FAILS, this huge weapon might be the answer in Sunday's "Lion Safari" trapshoot. Pulling the trigger is Bill Brook and helping him aim is Dick Vandenberg. The shooting begins at 9 a.m. Sunday and the fun will last throughout the day at the Conservation Club range, three miles west of Antioch on Route 173.

Golfers Invited To Nippersink Event

GENOA CITY, Wis. -- For the sixth straight year, many area golfers will be putting the finishing touches on their season in the annual Nippersink Jamboree.

Golfers can choose to play on either of two days -- Saturday, Sept. 21, or Sunday, Sept. 22 -- at the Nippersink Manor course, just west of Twin Lakes, Wis. There will be about \$1,500 worth of prizes.

Players can arrange their

own foursomes and reserve tee times by calling Pro John De Santis at (414) 279-6311. The entry fee of \$12 includes golf, lunch, beer and prizes. The Jamboree is primarily a Peoria Handicap event.

For the second year, the two-day event will include DeSantis' Midwest Two-Ball Championship.

This attraction allows any player in the field to select a professional or top amateur as

his partner in a scratch, best-ball competition.

For example, an amateur can pick DeSantis or any of the other top pros in the tournament as his partner. The pro, or another amateur, doesn't have to be in your foursome or agree to be your partner. You simply "buy him" for \$5 and if your best-ball finishes in the money you collect 90 per cent of the purse and he gets 10 per cent. Professionals receive cash, amateurs receive merchandise.

Reservations for the tournament, or more information, can be obtained by calling DeSantis at the Nippersink pro shop.

SUNDAY'S "LIONS SAFARI" trapshoot promises to be a barrel of fun -- almost as big as the barrel on this gun. Among those taking part will be members of this group, such as Harry Stern, Bill Brook, Dick Vandenberg, Betty Vandenberg and Ron Rodellus. You're invited too!

Waukegan Track Winding It Up

Northbrook's Tom Jones won his fifth feature race of the season at the Waukegan Speedway last Saturday in the next-to-last night of late model stock car racing for 1974.

This Saturday's open competition finals will end the season at Waukegan as both late models and hobby cars are slated to race.

Bob May, the 1971 track champion at Waukegan, gave Jones the biggest challenge of the evening. May set the night's fast time, guest-driving Ted Richter's No. 3 Chevelle,

and then finished runner-up to Jones in the 25-lapper.

Early leader Joe Torri faded to third in the finish as part of his suspension broke.

The most serious accident of the evening came in the main event when Ray Bush broke his water pump and coated the third turn with coolant as he spun into the wall.

As leaders Torri and Bob Dotter charged into the turn, they hit the slick spot and skidded into the wall with Dotter's Chevy being knocked out of action.

In the Bible in St. John 8 Jesus said: "Ye shall know the truth, and the truth shall make you free". Man's freedom is brought out this week in the Lesson-Sermon entitled "MATTER".

"Truth is God's remedy for error of every kind, and Truth destroys only what is untrue. Hence the fact that, to-day, as yesterday, Christ casts out evils and heals the sick;" a citation to be read from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy states.

Creative Science Exhibit at County Building

An Exhibition on the Science of Creative Intelligence will begin Mon., Sept. 16, in the lobby of the County Building in Waukegan. The purpose of the exhibit is to familiarize the community with programs being offered in SCI locally.

This Science of Creative Intelligence arose from the discovery that there exists in every human being an inexhaustible and fundamental source of intelligence, energy and happiness which expresses itself in the life of the individual as success, creative progress and satisfaction. As any other science, it has two aspects: theory and practice. The practical aspect, Transcendental Meditation, is a simple and effortless technique which allows an individual to systematically tap the source for spontaneous use in everyday life.
